*If your auto dealership is not taking advantage of Customer Track car leads, you are handing over real customers to other dealers in your local area!*

## About Our Account Managers:

Every account manager that is responsible for assisting you in successfully implementing our Fresh Prospecting Marketing Package in your dealership has been, at one time or another, a successful sales manager at a store, or a dealer principle. We invite you to review our program. One of our several knowledgeable account managers can follow-up with you and answer any questions you may have, including how you too can become a successful member dealer.
